

IMPORTANT JURISDICTIONAL REGULATORY INFORMATION

This document is intended to be read in addition to the notices appended to any information you have received from or on behalf of Sloane Robinson LLP ("Sloane Robinson") in relation to the funds it manages (the "Funds").

The Funds are unregulated and the distribution of any information or documents referring to them (and the offering of any units in any such Fund) in certain jurisdictions is restricted. Any such information or documents are only intended to be received by eligible recipients, and any persons into whose possession such information or documents comes are required to inform themselves about and to observe any such restrictions. Please see below for important regulatory information applicable to specific jurisdictions.

1. European Economic Area ("EEA")

The Funds in relation to which you have received information from Sloane Robinson are master-feeder structures comprising a Cayman domiciled Company and Limited Partnership. Each such Company and Limited Partnership is an Alternative Investment Fund ("AIF") for the purposes of the EU Alternative Investment Fund Managers Directive (the "AIFMD") and Sloane Robinson is the Alternative Investment Fund Manager of each AIF. Units in each Company and Limited Partnership may not be marketed to prospective investors which are domiciled or have a registered office in any member state of the EEA, save where permitted pursuant to the laws of the relevant EEA member state.

At the current time, the only qualification of the Funds in the EEA for marketing under the AIFMD is in the United Kingdom ("UK"), where each Company has been qualified with the UK Financial Conduct Authority ("FCA"). The Limited Partnership has not been so qualified and it is not being marketed in the UK. For further information in relation to the UK see below.

In respect of all other member states of the EEA, the Funds have not been qualified, nor registered with any local regulator, for marketing, distribution, offer or sale under the AIFMD and neither have the Information Memoranda for the Funds, nor any other relevant Fund documents, been approved by any local regulator. As such, interests in the Funds may not be marketed or distributed, or offered or placed at Sloane Robinson's initiative, to investors domiciled or registered in such member states. For recipients domiciled or registered in such member states, Sloane Robinson is therefore only providing the document and information connected to this notice in response to an express request and at the initiative of the recipient. The provision of the document and information does not constitute an offer or solicitation. **If you do not believe you have requested the documentation or information you have received, or are not the intended recipient, please notify the sender as soon as possible.** The sender may ask you to delete and/or destroy the information received.

United Kingdom

The Funds are not recognised collective investment schemes for the purposes of the Financial Services and Markets Act 2000 ("FSMA") so the promotion of the Funds and the distribution of any document referring to them in the United Kingdom is further restricted by section 238 of FSMA (the "Scheme Promotion Restriction"). Any such document may be issued in the United Kingdom by Sloane Robinson only to and/or is directed only at persons to or at eligible counterparties and professional clients as defined under the Financial Conduct Authority's rules ("FCA Rules"). The FCA Rules for the protection of retail clients do not apply in respect of an investment into any of the Funds, nor is any such investment covered by the Financial Services Compensation Scheme.

2. Non-EEA Jurisdictions

United States

Units in the Funds have not been and will not be registered under the United States Securities Act of 1933, as amended ("the 1933 Act") or the securities laws of any of the states of the United States, nor is such registration contemplated. The units may not be offered, sold or delivered directly or indirectly in the United States or to or for the account or benefit of any "US Person" except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the 1933 Act and any applicable state laws.

To the extent the units of the Funds are being offered outside the United States, this is pursuant to the exemption from registration under Regulation S under the 1933 Act and inside the United States in reliance on Regulation D promulgated under the 1933 Act and Section 4(a)(2) thereof.

There is no public market for the units and no such market is expected to develop in the future. To the extent the units are offered, they are subject to restrictions on transferability and resale and may not be transferred or resold except as permitted under the 1933 Act and applicable state securities laws pursuant to registration or exemption therefrom.

The units are suitable only for sophisticated investors who do not require immediate liquidity for their investments, for whom an investment in a Fund does not constitute a complete investment program and who fully understand and are able to bear the loss of their investment in the Fund. The investment programs of the Funds, by their nature, may be considered to involve a substantial degree of risk. Subscribers for any such units must represent that they are acquiring the units for investment.

Offering materials for the offering of units in the Funds have not been filed with or approved or disapproved by the United States Securities and Exchange Commission or any other state or federal regulatory authority, nor has any such regulatory authority passed upon or endorsed the merits of this offering or passed upon the accuracy or completeness of any offering materials. Any representation to the contrary is unlawful.

Canada (Ontario & Quebec only)

Any units in the Funds may not be offered or sold to the public in Canada. SR Global Fund L.P and SR Global General Partner Limited have obtained extra provincial registrations in Ontario and Quebec (the "Provinces"). To the extent that units in the SR Global Fund are being offered in the Provinces, this is pursuant to the "accredited investor exemption", section 1.1 of National Instrument 45-106 Prospectus Exemptions. To qualify under this exemption, a prospective purchaser of units must be both an "accredited investor" and a "permitted client" as defined in section 1.1 of NI 31-103. No securities commission or similar authority in Canada has reviewed or in any way endorsed the merits of the offering materials for units in the Funds and any representation to the contrary is an offence.
